ABOUT US

Combining the best of science and nature.

Consul Nature Elements Global Pvt. Ltd. (CNEG), trading as Nature Elements, is a nutraceutical manufacturer and exporter based in Greater Noida, India. We manufacture finished supplements for private-label and contract programmes, and supply botanical extracts, specialty ingredients and bulk raw materials to brand owners, distributors and manufacturers worldwide.

OUR CERTIFICATIONS

FSSAI
Food Safety and Standards Authority of India

GMP
Good Manufacturing Practice

ISO
Certified quality management

HACCP
Hazard Analysis & Critical Control Points

OUR SERVICES

Contract Manufacturing
Your formulation produced in capsules, tablets, powders, gummies, sachets, liquids or resin formats.

Private Label
Ready formulations manufactured and packed under your brand, with artwork and labelling support.

Formulation & R&D
Custom development to your brief — ingredients, strengths, format and target market.

Bulk Ingredient Supply
Extracts, herbal powders, vitamins, minerals, sweeteners and excipients for manufacturers.

OUR ‘LIFE & PURSUITS’ BRAND

CNEG owns Life & Pursuits (lifeandpursuits.com), a holistic health, nutrition and supplements brand combining the best of science and nature. Running our own brand means we bring a brand owner’s perspective to every private-label and contract-manufacturing programme.

OUR PORTFOLIO

One partner, multiple dosage forms

Every finished product in this catalogue can be developed in the dosage form that suits your range. Choose the product, then the format — we confirm feasibility, specification and documentation per enquiry.
